13. TOTAL LOANS DURING REPORTING PERIOD			\$

IMPORTANT

The limits on campaign contributions do not apply to loans or contributions made by a candidate from his or her own personal funds to the campaign or to personal loans made by financial institutions to the candidate and applied to his or her campaign. Any loans made by a candidate to his or her campaign and any loans made by a financial institution to a candidate and applied to his or her campaign shall be reported in Section 12.

If a candidate desires to use or raise campaign funds to repay himself or herself for personal funds which he or she contributed to the campaign, then he or she would need to report those personal funds as a loan in Section 12.

If a candidate does not desire to use or raise campaign funds to repay himself or herself for personal funds which he or she contributed to the campaign, then those personal funds would not be reported in Section 12. Instead, they would be reported as a campaign contribution either in Section 16 or on line 18, depending upon the amount.

If a candidate has unpaid loans at the end of the primary, runoff, special, or general election, the source, description and amount of each such loan should be itemized in Section 29. Candidates ending their campaign in debt are permitted to raise funds to retire the debt subject to the restrictions contained in Ark. Code Ann. § 7-6-219.

IMPORTANT

In addition to monetary contributions, candidates are required to report the receipt of any nonmonetary ("in-kind") contributions. A candidate receives an in-kind contribution whenever a contributor provides him with an item or service without charge or for a charge that is less than the fair market value of the item or service in question.

The value of an in-kind contribution is the difference between the fair market value and the amount charged. In-kind contributions are addressed in greater detail in Sections 205 and 206 of the Commission's Rules on Campaign Finance & Disclosure.
