| | 12. TOTAL NONMONEY | | \$0.00 | |

IMPORTANT

In addition to monetary contributions, committees are required to report the receipt of any nonmonetary ("in-kind") contributions. A committee receives an in-kind contribution whenever a contributor provides it with an item or service without charge or for a charge which is less than the fair market value of the item or service in question. The value of an in-kind contribution is the difference between the fair market value and the amount charged.
