The Pulaski County Circuit and County Clerk's office is still experiencing technical difficulties with our computer systems.

Currently, we are unable to issue marriage licenses or process voter registration. We also have limited ability to receive real estate-related documents (liens, deeds, etc.) We apologize for the inconvenience.

Our Accounting, Court Clerks, and Central Receiving departments are operating as normal, but at a reduced pace.

Please contact us via phone at (501) 340-8500, or in person for any questions. Thank you.
